

# Our Sunday, together

Use before or after Mass / Drawing and spoken answers are welcome.

This is a home conversation page, not a task to finish during the liturgy. Let children participate at their own level, and follow your parish's guidance.

## Our parish Mass time and practical plan

---

---

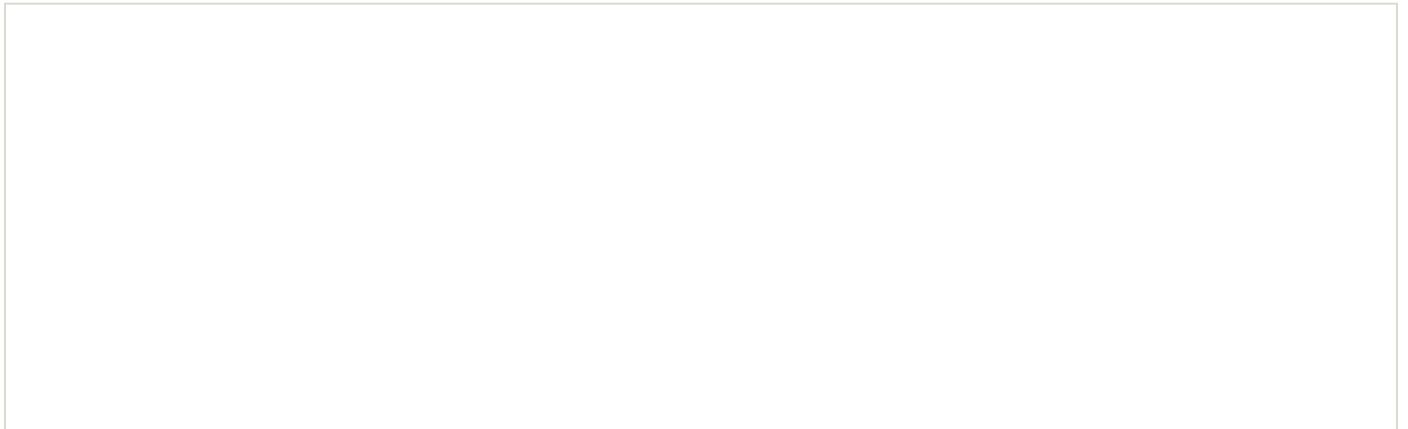

## People we want to remember in prayer

---

---

---

## Draw a way we can listen, pray or help today

Before we go: check transport, accessibility, any care needs and enough time to arrive calmly. A difficult morning does not mean you have failed.

# After Mass: notice and respond

Use a few minutes over a meal or later in the day. Passing is always welcome.

## A word, image or moment I remember

## A question we would like to ask

## One way we can put love into practice this week

Original prayer: Jesus, help us carry what we have received into our words, choices and care for others. Amen.
